March 17, 2025

Dear Saint Paul's Choir School Families,

I am pleased to share that enrollment agreements for the 2025-26 school year will be distributed shortly. Please know that next year's tuition will increase to \$22,500.

As you know already, the past two school years have seen tuition rise by 7.4% (an increase of \$1,350 from 2022 to 2023) and 9.7% (an increase of \$1,900 from 2023 to 2024). I am happy to share that through a series of cuts in our budget, an exceptional year of grants and fundraising, and your support, we have been able to significantly reduce the rate of increase to 4.7%.

In drafting this increase, we balanced the impact of tuition on our families, the need to retain and attract the best teachers, and the desire to continue our commitment to make the school affordable through scholarship awards to all boys who wish to attend the school and who meet our admissions criteria. Please know, as well, that next year's after school study hall rate of \$300 for the school year will remain. This will continue to be the most affordable way to ensure care for your children until 5:00 pm for each day of the school year and a vital part of our commitment to partnering with you.

We remain a school for which tuition does not adequately support the extraordinary educational and music programming we offer. Yet, we remain uniquely committed to being more than a school: a choral program rooted in beauty and history, a community that celebrates faith daily, a vital part of the Boston area's professional classical music scene, and a site of daily teamwork at the highest level.

Member of the Class of 1997, Emmy-Award-winning Nick Puleo says it best: Saint Paul's Choir School "is preparing boys for a lifetime of achievement."

Thank you for choosing Saint Paul's Choir School; thank you for choosing a lifetime of achievement.

Patrick Moran

Head of School  
Saint Paul's Choir School
